# Notes to Financial Statements – 2022

## Note 1 – Summary of Significant Accounting Policies

The City of Sumas was incorporated in 1891 and operates under the laws of the state of Washington applicable to a non-charter code city operating under the mayor-council plan of government. The City is a general-purpose local government and provides public safety, street improvements, parks and recreation, building inspection, municipal court, cemetery, and general administrative services. In addition, the City owns and operates public utilities for water, sewer, storm-sewer, and electric.

The City reports financial activity in accordance with the *Cash Basis Budgeting, Accounting and Reporting System (BARS) Manual* prescribed by the State Auditor’s Office under the authority of Washington State law, Chapter 43.09 RCW. This manual prescribes a financial reporting framework that differs from Generally Accepted Accounting Principles (GAAP) in the following manner:

- Financial transactions are recognized on a cash basis of accounting as described below.
- Component units are required to be disclosed but are not included in the financial statements.
- Government-wide statements, as defined in GAAP, are not presented.
- All funds are presented, rather than a focus on major funds.
- The *Schedule of Liabilities* is required to be presented with the financial statements as supplementary information.
- Supplementary information required by GAAP is not presented.
- Ending balances for proprietary and fiduciary funds are presented using classifications that are different from the ending net position classifications in GAAP.

### A. Fund Accounting

Financial transactions of the government are reported in individual funds. Each fund uses a separate set of self-balancing accounts that comprises its cash and investments, revenues and expenditures. The government’s resources are allocated to and accounted for in individual funds depending on their intended purpose. Each fund is reported as a separate column in the financial statements, except for fiduciary funds, which are presented by fund types. The total column is presented as “memo only” because any interfund activities are not eliminated. The following fund types are used:

## **GOVERNMENTAL FUND TYPES:**

### **General Fund**

This fund is the primary operating fund of the government. It accounts for all financial resources except those required or elected to be accounted for in another fund.

### **Special Revenue Funds**

These funds account for specific revenue sources that are restricted or committed to expenditures for specified purposes of the government.

### **Capital Projects Funds**

These funds account for financial resources which are restricted, committed, or assigned for the acquisition or construction of capital facilities or other capital assets.

## **PROPRIETARY FUND TYPES:**

### **Enterprise Funds**

These funds account for operations that provide goods or services to the general public and are supported primarily through user charges.

## **FIDUCIARY FUND TYPES:**

Fiduciary funds account for assets held by the government in a trustee capacity or as a custodian on behalf of others.

### **Custodial Funds**

These funds are used to account assets that the government holds on behalf of others in a custodial capacity.

## **B. Basis of Accounting and Measurement Focus**

Financial statements are prepared using the cash basis of accounting and measurement focus. Revenues are recognized when cash is received, and expenditures are recognized when paid.

In accordance with state law the City also recognizes expenditures paid during twenty days after the close of the fiscal year for claims incurred during the previous period.

## **C. Cash and Investments**

See Note 3 – *Deposits and Investments*.

## D. Capital Assets

Capital assets are assets with an initial individual cost of more than \$5,000 and an estimated useful life in excess of 5 years. Capital assets and inventory are recorded as capital expenditures when purchased.

## E. Compensated Absences

Vacation leave may be accumulated up to 240 hours and is payable upon separation or retirement. Sick leave may be accumulated up to 1136 hours. Upon separation or retirement employees with 10 years or more of service will receive payment for unused sick leave at a rate of 25% of the balance. Comp leave may be accumulated up to 40 hours and is payable upon separation or retirement. Payments are recognized as expenditures when paid.

## F. Restricted and Committed Portion of Ending Cash and Investments

Beginning and Ending Cash and Investments are reported as restricted or committed when it is subject to restrictions on use imposed by external parties or due to internal commitments established by ordinance or resolution of the City Council. When expenditures that meet restrictions are incurred, the City intends to use the most restricted resources first.

Restrictions and commitments of Ending Cash and Investments consist of:

<b>Fund</b>	<b>Restricted/ Committed Ending Balance</b>	<b>Restricted by:</b>
001 Current Expense	\$7,289.67	*Asset Seizure "Guide to Equitable Sharing for State, Local, and Tribal Law Enforcement Agencies"

## Note 2 – Budget Compliance

### A. Budgets

The City adopts annual appropriated budgets for governmental and proprietary funds. These budgets are appropriated at the fund level. The budget constitutes the legal authority for expenditures at that level. Annual appropriations for these funds lapse at the fiscal year end.

Annual appropriated budgets are adopted on the same basis of accounting as used for financial reporting.

The appropriated and actual expenditures for the legally adopted budgets were as follows:

<b>FUND</b>	<b>Final Appropriated Amounts**</b>	<b>Actual Expenditures</b>	<b>Variance</b>
001 Current Expense Fund	\$5,105,915	\$5,145,442	(\$39,527)

\*\*Ordinance 1800

Budgeted amounts are authorized to be transferred between departments within any fund; however, any revisions that alter the total expenditures of a fund, or that affect the number of authorized employee positions, salary ranges, hours, or other conditions of employment must be approved by the City's legislative body.

### Note 3 – Deposits and Investments

Investments are reported at original cost. Deposits and investments by type on December 31, 2022 are as follows:

<b>Type of Deposit or Investment</b>	<b>City's Own Deposits &amp; Investments</b>	<b>Deposits held by the City as Custodian for others</b>	<b>Total</b>
Bank Deposits	\$3,446,873	\$3,650	<b>\$3,450,523</b>
Investments	\$500,000		<b>\$500,000</b>
Cash on Hand (Petty Cash)	\$600		<b>\$600</b>
<b>Total</b>	<b>\$3,947,473</b>	<b>\$3,650</b>	<b>\$3,951,123</b>

Interest earned is prorated to the various funds.

## Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of a failure of a depository financial institution, the City would not be able to recover deposits or would not be able to recover collateral securities that are in possession of an outside party. The City's deposits and certificates of deposit are mostly covered by federal depository insurance (FDIC) or by collateral held in a multiple financial institution collateral pool administered by the Washington Public Deposit Protection Commission (PDPC).

All investments are insured, registered or held by the City or its agent in the government's name.

## Note 4 – Interfund Loans

The following table displays interfund loan activity during 2022:

<b>Borrowing Fund</b>	<b>Lending Fund</b>	<b>Balance 1/1/2022</b>	<b>New Loans</b>	<b>Repayments</b>	<b>Balance 12/31/2022</b>
001	403	\$0	\$660,000	\$460,000	\$200,000
001	411	\$0	\$280,000	\$280,000	\$0

## Note 5 – Other Disclosures

### A. Extraordinary Events

The City of Sumas experienced a natural disaster flood event in November 2021 that caused major damage throughout the City and to multiple city owned properties including City Hall, Police Department, Public Works Offices, Senior Center/Library, Historical Society building, parks, streets, vehicles, drainage systems and utilities. The City is working with FEMA for Public Assistance Grant funding and with our Insurance Risk Pool and NFIP insurance coverages to repair damages.

## Note 6 – Pension Plans

### A. State Sponsored Pension Plans

Substantially all City full-time and qualifying part-time employees participate in the following statewide retirement systems administered by the Washington State Department of Retirement Systems (DRS), under cost-sharing, multiple-employer public employee

defined benefit and defined contribution retirement plans: Public Employees’ Retirement System (PERS) and Law Enforcement Officers’ and Fire Fighters’ Retirement System (LEOFF).

The State Legislature establishes, and amends, laws pertaining to the creation and administration of all public retirement systems.

The Department of Retirement Systems, a department within the primary government of the State of Washington, issues a publicly available Annual Comprehensive Financial Report (ACFR) that includes financial statements and required supplementary information for each plan.

The DRS ACFR may be downloaded from the DRS website at [www.drs.wa.gov](http://www.drs.wa.gov).

At June 30, 2022 (the measurement date of the plans), the City’s proportionate share of the collective net pension liabilities (assets), was as follows:

	Employer Contributions	Allocation %	Liability (Asset)
PERS 1	\$26,682	0.004354%	\$121,231
PERS 2/3	\$45,741	0.005694%	(\$211,178)
LEOFF 2	\$27,309	0.013191%	(\$358,492)

Only the net pension liabilities are reported on the Schedule 09.

#### LEOFF Plan 2

The City also participates in the LEOFF Plan 2. The Legislature, by means of a special funding arrangement, appropriates money from the state general fund to supplement the current service liability and fund the prior service costs of Plan 2 in accordance with the recommendations of the Pension Funding Council and the LEOFF Plan 2 Retirement Board. This special funding situation is not mandated by the state constitution and could be changed by statute.

### Note 7 - Property Tax

The county treasurer acts as an agent to collect property tax levied in the county for all taxing authorities. Collections are distributed after the end of each month.

Property tax revenues are recognized when cash is received by the City. Delinquent taxes are considered fully collectible because a lien affixes to the property after tax is levied.

The City’s regular levy for the year 2022 was \$2.63 per \$1,000 on an assessed valuation of \$255,579,644 for a total regular levy of \$672,340.62.

## **Note 8 – Risk Management**

### **A. Property and Liability**

The City of Sumas is a member of the Washington Cities Insurance Authority (WCIA). Utilizing Chapter 48.62 RCW (self-insurance regulation) and Chapter 39.34 RCW (Interlocal Cooperation Act), nine cities originally formed WCIA on January 1, 1981. WCIA was created for the purpose of providing a pooling mechanism for jointly purchasing insurance, jointly self-insuring, and/or jointly contracting for risk management services. WCIA has a total of 166 members.

New members initially contract for a three-year term, and thereafter automatically renew on an annual basis. A one-year withdrawal notice is required before membership can be terminated. Termination does not relieve a former member from its unresolved loss history incurred during membership.

Liability coverage is written on an occurrence basis, without deductibles. Coverage includes general, automobile, police, errors or omissions, stop gap, employment practices, prior wrongful acts, and employee benefits liability. Limits are \$4 million per occurrence in the self-insured layer, and \$16 million in limits above the self-insured layer is provided by reinsurance. Total limits are \$20 million per occurrence subject to aggregates and sublimits. The Board of Directors determines the limits and terms of coverage annually.

All Members are provided a separate cyber risk policy and premises pollution liability coverage group purchased by WCIA. The cyber risk policy provides coverage and separate limits for security & privacy, event management, and cyber extortion, with limits up to \$1 million and subject to member deductibles, sublimits, and a \$5 million pool aggregate. Premises pollution liability provides Members with a \$2 million incident limit and \$10 million pool aggregate subject to a \$100,000 per incident Member deductible.

Insurance for property, automobile physical damage, fidelity, inland marine, and equipment breakdown coverage are purchased on a group basis. Various deductibles apply by type of coverage. Property coverage is self-funded from the members' deductible to \$750,000, for all perils other than flood and earthquake, and insured above that to \$400 million per occurrence subject to aggregates and sublimits. Automobile physical damage coverage is self-funded from the members' deductible to \$250,000 and insured above that to \$100 million per occurrence subject to aggregates and sublimits.

In-house services include risk management consultation, loss control field services, and claims and litigation administration. WCIA contracts for certain claims investigations, consultants for personnel and land use issues, insurance brokerage, actuarial, and lobbyist services.

WCIA is fully funded by its members, who make annual assessments on a prospectively rated basis, as determined by an outside, independent actuary. The assessment covers loss, loss adjustment, reinsurance and other administrative expenses. As outlined in the interlocal, WCIA retains the right to additionally assess the membership for any funding shortfall.

An investment committee, using investment brokers, produces additional revenue by investment of WCIA's assets in financial instruments which comply with all State guidelines.

A Board of Directors governs WCIA, which is comprised of one designated representative from each member. The Board elects an Executive Committee and appoints a Treasurer to provide general policy direction for the organization. The WCIA Executive Director reports to the Executive Committee and is responsible for conducting the day to day operations of WCIA.

## **B. Health and Welfare**

The City of Sumas is a member of the Association of Washington Cities Employee Benefit Trust Health Care Program (AWC Trust HCP). Chapter 48.62 RCW provides that two or more local government entities may, by Interlocal agreement under Chapter 39.34 RCW, form together or join a pool or organization for the joint purchasing of insurance, and/or joint self-insurance, to the same extent that they may individually purchase insurance or self-insure.

An agreement to form a pooling arrangement was made pursuant to the provisions of Chapter 39.34 RCW, the Interlocal Cooperation Act. The AWC Trust HCP was formed on January 1, 2014 when participating cities, towns, and non-city entities of the AWC Employee Benefit Trust in the State of Washington joined together by signing an Interlocal Governmental Agreement to jointly self-insure certain health benefit plans and programs for participating employees, their covered dependents and other beneficiaries through a designated account within the Trust.

As of December 31, 2022, 262 cities/towns/non-city entities participate and have enrollment in the AWC Trust HCP.

The AWC Trust HCP allows members to establish a program of joint insurance and provides health and welfare services to all participating members.

In April 2020, the Board of Trustees adopted a large employer policy, requiring newly enrolling groups with 600 or more employees to submit medical claims experience data in order to receive a quote for medical coverage. Outside of this, AWC Trust HCP pools claims without regard to individual member experience. The pool is actuarially rated each year with the assumption of projected claims run-out for all current members.

The AWC Trust HCP includes medical, dental and vision insurance through the following carriers: Kaiser Foundation Health Plan of Washington, Kaiser Foundation Health Plan of Washington Options, Inc., Regence BlueShield, Asuris Northwest Health, Delta Dental of Washington, Willamette Dental Group, and Vision Service Plan. Eligible members are cities and towns within the state of Washington. Non-City Entities (public agency, public corporation, intergovernmental agency, or political subdivision within the state of Washington) are eligible to apply for coverage into the AWC Trust HCP, submitting application to the Board of Trustees for review as required in the Trust Agreement.

Participating employers pay monthly premiums to the AWC Trust HCP. The AWC Trust HCP is responsible for payment of all covered claims. In 2022, the AWC Trust HCP purchased medical stop loss insurance for Regence/Asuris and Kaiser plans at an Individual Stop Loss (ISL) of \$1.5 million through United States Fire Insurance Company. The aggregate policy is for 200% of expected medical claims.

Participating employers contract to remain in the AWC Trust HCP for a minimum of three years. Participating employers with over 250 employees must provide written notice of termination of all coverage a minimum of 12 months in advance of the termination date, and participating employers with under 250 employees must provide written notice of termination of all coverage a minimum of 6 months in advance of termination date. When all coverage is being terminated, termination will only occur on December 31. Participating employers terminating a group or line of coverage must notify the AWC Trust HCP a minimum of 60 days prior to termination. A participating employer's termination will not obligate that member to past debts, or further contributions to the AWC Trust HCP. Similarly, the terminating member forfeits all rights and interest to the AWC Trust HCP Account.

The operations of the Health Care Program are managed by the Board of Trustees or its delegates. The Board of Trustees is comprised of four regionally elected officials from Trust member cities or towns, the Employee Benefit Advisory Committee Chair and Vice Chair, and two appointed individuals from the AWC Board of Directors, who are from Trust member cities or towns. The Trustees or its appointed delegates review and analyze Health Care Program related matters and make operational decisions regarding premium contributions, reserves, plan options and benefits in compliance with Chapter 48.62 RCW. The Board of Trustees has decision authority consistent with the Trust Agreement, Health Care Program policies, Chapter 48.62 RCW and Chapter 200-110-WAC.

The accounting records of the AWC Trust HCP are maintained in accordance with methods prescribed by the State Auditor's office under the authority of Chapter 43.09 RCW. The AWC Trust HCP also follows applicable accounting standards established by the Governmental Accounting Standards Board ("GASB"). In 2018, the retiree medical plan subsidy was eliminated, and is noted as such in the report for the fiscal year ending December 31, 2018. Year-end financial reporting is done on an accrual basis and submitted

to the Office of the State Auditor as required by Chapter 200-110 WAC. The audit report for the AWC Trust HCP is available from the Washington State Auditor's office.

## Notes to the Schedule of Expenditures of Federal Awards

For the Year Ended December 31, 2022

### Note 1 – Basis of Accounting

This Schedule is prepared on the same basis of accounting as the city's financial statements. The city uses the *Cash Basis Budgeting, Accounting and Reporting System (BARS)* Manual prescribed by the State Auditor's Office under the authority of Washington State law, Chapter 43.09 RCW.

### Note 2 – Federal De Minimis Indirect Cost Rate

The city has not elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

### Note 3 – Program Costs

The amounts shown as current year expenditures represent only the federal grant portion of the program costs. Entire program costs, including the city's portion, are more than shown. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
