COUNCIL MEETINGS
SECOND AND FOURTH
MONDAYS OF EACH MONTH

March 4, 2011

Dear Interested Party:

Enclosed please find the first draft of the *City of Sumas Comprehensive Plan*. This draft is receiving very limited circulation. You are receiving the draft because you are a major wholesale customer of the City, and we need to get feedback from you as soon as possible. Your comments on the demand forecast (chapter 2) are particularly important, as we would like to have the best possible forecast before circulating the plan to a wider circle (i. e., Ecology, WDOH) for comment. The plan policies in chapter 1 are also noteworthy.

Please review the plan and contact me with any requested changes. Explain in detail the reason behind any requested changes. We will begin the standard public review process in April, including public comment periods, and agency review. Of course, you may comment on the plan during the formal review process in the spring.

Sincerely,

Rod Fadden
Utilities Superintendent
